### — THAT GIVE BACK

While our Chefs and Butchers focus on using the Whole Animal to make something of everything, our Bar Keeps, not wanting to be outdone in their love for Momma Earth, champion our Pip to Peel Philosophy using the last drop of every fruit to limit waste and reduce our impact with delicious cocktails, if we may say so ourselves, a fitting bi-product!

## BLACKLOCK BREWS

It's fair to say we have a very particular love affair with Cornwall. Philip Warren looks after the Blacklock herd on the lush Cornish fields and since day one, Eddie and his team at Harbour Brew Co. have brewed all our beers from their home in North Cornwall. After a trip down to see them with the team — and a few too many that evening — we hatched a plan to brew our very own spec of Blacklock Brews.

<p><b>Blacklock Lager</b> 4% 4.3</p> <p>Herbaceous and crisp. This light, fresh and moreish lager is just as good with food as it is without.</p>	<p><b>BAR KEEP'S</b></p>
<p><b>Blacklock Pale</b> 3.8% 4.5</p> <p>Pine &amp; zesty meets citrus &amp; barley with a clean &amp; dry grapefruit finish.</p>	<p><b>Chocolate White Stout</b> 6.8% 5.5</p> <p>Misleading as the name may be, our white stout, inspired by our white chocolate cheesecake, shares closer relations to a pale ale but with all the wintery deliciousness of a milk stout.</p>
<p><b>(GUEST) Big Wednesday IPA</b> 5.6% 5.5</p> <p>Brewed by the gang down at Harbour, this IPA brings juicy tropical fruit and a mouthfeel that's robust and bold.</p>

No longer the realm of students drinking Blue Nun out of a bag in their university dorm. Wine on Tap is now an incredibly sustainable way for top producers to put their best plonk in keg and for our dreams of wine to flow from a tap to come true.

### "BLACKLOCKCELLO".

We use the **WHOLE**  
**ANIMAL** to make something from **EVERYTHING**  
and our approach to drinks is **NO DIFFERENT.**

Our Pip to Peel philosophy uses the last drop  
of every fruit to bring the Amalfi Coast to  
Blacklock courtesy of a couple of our  
own Italian stallions.
