## BLACKLOCK BREWS

It's fair to say we have a very particular love affair with Cornwall. Philip Warren looks after the Blacklock herd on the lush Cornish fields and since day one, Eddie and his team at Harbour Brew Co. have brewed all our beers from their home in North Cornwall. After a trip down to see them with the team — and a few too many that evening — we hatched a plan to brew our very own spec of Blacklock Brews.

### Blacklock Lager 4% 4.65

Herbaceous and crisp. This light, fresh and moreish lager is just as good with food as it is without.

### Blacklock Session Pale (Gluten Free) 3.4% 4.9

Smooth & zesty with flavours of tropical mango and citrus. Fruity with a dry finish. A beer that will surely get the party started.

### Arctic Sky Session IPA 4.3% 5.5

A refreshing and crisp spin on a modern IPA with a slight haze and beautiful hop aroma.

## BAR KEEP'S BOTTLE

### Ruby Mild 4.3% 6

In collaboration with the Birmingham Brewing Co. and Harbour. Dried fruit, caramel and toffee with a sweet dark fruit finish. Perfect Big Chop accompaniment.

# WINE ON TAP & BY THE GLASS

No longer the realm of students drinking Blue Nun out of a bag in their university dorm. Wine on Tap is now an incredibly sustainable way for top producers to put their best plonk in keg and for our dreams of wine to flow from a tap to come true.
