by **BLACKLOCK BAR KEEPS.**

Our Bar Keeps respectfully pour beers as 330ml unless stated otherwise. Wine on tap is served in 125ml, 175ml, 500ml, 700ml and 1L, whilst bottles are 750ml unless stated otherwise. Spirits come in increments of 25ml (single/double). This ensures the drinks keep flowing and good times are maintained.

COCKTAILS

— THAT GIVE BACK

While our Chefs and Butchers focus on using the Whole Animal to make something of everything, our Bar Keeps, not wanting to be outdone in their love for Momma Earth, champion our Pip to Peel Philosophy using the last drop of every fruit to limit waste and reduce our impact with delicious cocktails, if we may say so ourselves, a fitting bi-product!

This childhood-throwback is sure to whet one's whistle with sweet-shop lip puckering joy!

BLACKLOCK BREWS

It's fair to say we have a very particular love affair with Cornwall. Philip Warren looks after the Blacklock herd on the lush Cornish fields and since day one, Eddie and his team at Harbour Brew Co. have brewed all our beers from their home in North Cornwall. After a trip down to see them with the team — and a few too many that evening — we hatched a plan to brew our very own spec of Blacklock Brews.

Blacklock Lager 4% 4.3

Herbaceous and crisp. This light, fresh and moreish lager is just as good with food as it is without.

WINE ON TAP & BY THE GLASS

No longer the realm of students drinking Blue Nun out of a bag in their university dorm. Wine on Tap is now an incredibly sustainable way for top producers to put their best plonk in keg and for our dreams of wine to flow from a tap to come true.
